Park an Daras

‘Park An Daras’ is a traditional Celtic name which literally means field of the door and would have traditionally been the field in front of the original farm house. Today Park An Daras is the new gateway to Helston offering a diverse mix of two, three and four bedroom houses and two bedroom bungalows and coach homes.

Much thought has been given to the design and architectural principles of the site layout with commanding three story, four bedroom town houses creating the entrance to the development.

All homes being offered are conceived by the developer Robertson Developments Ltd and will provide an individual feel with mini courtyards offering out of sight car parking and a diverse range of elevation treatments. The mix of homes at Park An Daras means that there is something for everybody!
